

## Design Excellence : Cool Technology

# **Emerald** Hydrocarbon Range

#### Model: E2U & E3U - Datasheet

#### **Key Features**

- Foodsafe stainless steel exterior and interior
- Radiused, easy clean, interior base corners to reduce potential dirt traps
- CoolSmart controller is designed for easy operation and features clear digital display
- Designed and engineered to operate efficiently up to a 43°C ambient, this exceeds Climate Class 5
- Self closing doors minimises temperature gain, reducing energy consumption
- Precision injected, high density 75mm polyurethane insulation.
   Provides excellent thermal efficiency with low GWP (Global Warming Potential) and zero ODP (Ozone Depletion Potential
- Heavy duty, non-marking swivel castors with brakes – designed to fit through a standard door for ease of positioning
- Barrel locked doors for added security

- Removable refrigeration cassette system for easy servicing
- Anti-tilt, stain resistant coated shelving
- Audio and visual hi/lo temp alarm
- Condensor cleaning light to indicate when cleaning required to ensure effective performance
- Defrost water is vaporized using recycled heat from compressor

Variant	Temp	Storage		
HE2U	+1/+4°C	General Produce		
ME2U	-2/+2°C	Meat		
LE2U	-18/-22°C	Frozen Food		
HE3U	+1/+4°C	General Produce		
ME3U	-2/+2°C	Meat		

#### **Options**

- Drawer banks (2 or 3)
- Glass Doors
- · Pass through
- Additional shelving / trayslides
- Raised pan holder
- Screw on splash-back
- Hinged cover
- Stainless steel back
- Reverse unit
- Wells full / standard / special
- Adjustable legs in lieu of castors (add 10mm)
