# Refrigeration Excellence

#### The Home of Excellence

Williams Refrigeration is one of the world's leading manufacturers and suppliers of award winning commercial refrigeration and has built a global reputation over the years for performance, quality and value for money. Our vast product range includes high performance, energy efficient and sustainable refrigerated cabinets and counters, blast chillers, coldrooms, back bar, front of house display and specialist bakery equipment.

Our commitment is to help customers meet the demands of complex legislation for food safety and energy efficiency, together with competitive pricing, professional advice and innovative design. Williams' focus on service and support has led us to attract some of the world's leading companies as customers.

Since 1980 Williams has developed an enviable reputation for delivering global excellence. Driven from our global headquarters in the UK, we have established manufacturing facilities in China and Australia and sales facilities around the world.

At the heart of the Williams business is its reputation for excellence. The global business is driven by the vision and inspiration of the Head Office team in Kings Lynn and the resources and expertise offered by the technical teams at Williams' manufacturing locations. These are backed by sales and service teams at the three UK contracting units Williams Refrigeration Southern, Central and Scotland, alongside a full network of distributors.

Williams has one of the industry's most highly skilled and experienced design teams, delivering new concepts and solutions that continue to lead the market.

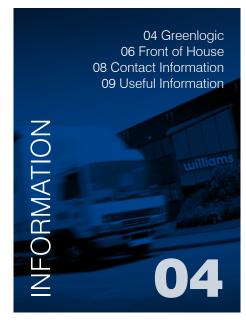

Manufacturing is driven by a 'right first time' culture, within a framework of continuous improvement, based on international principles. Product integrity is assured through sophisticated functional and electrical testing.

All products are built for performance, reliability and durability, even in the toughest and most arduous of conditions.

Manufacturing strategy is driven by best practice and investment in the latest technology. Processes are optimised by automation where appropriate, carefully balanced with manual assembly at critical points. Our manufacturing achievements are underpinned by a programme of personnel development, training, team building and problem solving.

Williams 'right first time' philosophy means that its products provide years of trouble free operation and are easy to service and maintain. But if things do go wrong, they can quickly be repaired with minimal delays and disruption to the working environment.

# Reducing our environmental impact Increasing environmental awareness

www.greenlogic.info

## Williams Environmental Initiative

Through Greenlogic Williams sets out its criteria for ensuring commitment is given to providing the most energy efficient and sustainable refrigeration equipment for today's market.

In doing so we provide details of this pledge through the manufacturing processes we employ, the management systems adhered to, as well as the careful selection of components used.

Williams has achieved ISO14001 certification across all of its manufacturing plants (UK, Australia, China), for the design, manufacture and installation of refrigeration products – showing our commitment to reducing its environmental footprint and long term dedication toward decreasing the pollution and waste produced during the manufacturing processes.

Components are carefully selected using the most stringent design criteria, giving the utmost consideration to their environmental impact and the overall sustainability of our products.

Through Greenlogic Williams also offers practical advice on how to save energy, time, resources and money, while creating a better working environment.

### The Energy Technology List

A number of Williams' products are listed on the ECA's Energy Technology List (ETL). Having been independently assessed the products meet the criteria set by the Carbon Trust for their energy efficiency and as such are eligible for 100% tax relief through the ECA scheme. Contact Williams for further details.

# **Greener Refrigeration**Glycol and Hydrocarbon.

### Glycol

The award winning glycol system links independently controlled refrigeration equipment on to a 'ring main' with glycol being pumped round the system's pipes, thereby cooling all connected equipment.

#### Why Glycol?

Because it reduces running costs... up to 25% less to run than other systems

**Because it saves energy...** and helps reduce your carbon footprint

**Because it's quiet...** reducing noise levels in the kitchen

#### Because it's reliable

**Because it's totally safe**, for you and the environment...no health risks and very low environmental impact

**Because it's more effective...** providing seemingly instant temperature control

## Hydrocarbon

Hydrocarbon Refrigerant reduces energy consumption by up to 15% due to it's excellent thermodynamic properties.

It also almost eliminates the environmental impact due to its low Global Warming Potential (GWP) and zero Ozone Depletion Potential (ODP). The refrigerant charge on all Williams hydrocarbon equipment is below the 150g threshold, enabling it to be placed in any size of room without the need for specific volume calculations thereby eliminating any potentially costly charges by insurance providers.

Refrigerant	GWP	ODP
R290 HC (Hydrocarbon)	3	0
R134a HFC (Hydrofluorocarbon)	1300	0
R404A HFC (Hydrofluorocarbon)	3780	0

# TAILOR MADE

for front of house displays

Williams' high-quality Front of House Display Range can be tailored to suit your footprint and application.

# **Display Range includes:**

- Sushi, Pâtisserie, Ice Cream
- Jewellery Box style Chocolate Display
- Beverage Coolers
- Wine Towers

Our experience ensures we maximise the display area whilst delivering high performance refrigeration.

Our premium display cabinets offer the highest standard in manufacture with v-cut bending, 45° cut glass for all round visibility, invisible handles and hidden controllers.

### CONSTRUCTION

SA Stainless steel exterior / Aluminium interior WA White PVC exterior / Aluminium interior

\$3 Stainless steel exterior / Stainless steel interior BS Black exterior / Stainless steel interior

### ORDERING IN FOUR SIMPLE STEPS

### **STEP ONE** - CHOOSE A PRODUCT

At the heart of our ordering process is the product code - here we'll choose a two door Jade (J2)

**J2** 

#### STEP TWO - CHOOSE A TEMPERATURE

Our products come in a range of temperatures suitable for any application - here we'll choose a standard +1/+4 refrigeration unit (H)

### STEP THREE - CHOOSE A FINISH

We've a range of standard finishes designed to match any environment - here we'll choose Stainless steel exterior / Aluminium interior (SA)

### **STEP FOUR** - BOLT ON SOME EXTRAS

Finally add on any of our optional extras - here we'll choose Glass doors & light (GD-IL)

#### **ORDERING**

When ordering please be sure to provide the following information:

- Purchase order number
- Quantity and model number
- Any options
- Required delivery date & delivery address including postcode
- Site contact details

Before ordering any modular items, we strongly recommend that a site survey is carried out by ourselves.

#### **SERVICING**

For all service and maintenance enquiries please contact the Head Office

All technical datasheets, CAD symbols and brochures can be downloaded easily and free of charge from www.williams-refrigeration.co.uk

# **Garnet** Range

## FEATURES AND BENEFITS

- Gastronorm range of cabinets
- CoolSmart controller for reduced energy consumption
- Designed to operate efficiently up to a 43°C ambient, exceeding Climate Class 5
- Self closing lockable door with magnetic balloon gaskets
- 75mm polyurethane insulation for excellent thermal efficiency
- Easy to clean stainless steel dished base with radiused corners
- Heavy duty, non marking swivel and brake castors

# Modular Cold Storage

### FEATURES AND BENEFITS

Williams Refrigeration offer flexible solutions and bespoke designs to suit even the most unique environment.

- Range of panel widths and heights manufactured in our UK factory
- Williams Unique POD refrigeration system for enhanced storage capacity and hassle free maintenance
- 90mm ODP zero foam insulated panels for outstanding thermal efficiency
- Camlocks foamed in to tongue and groove joints for a tight locking stable structure - eliminates risk of ice build up in joints and ensures a 'thermal envelope' is achieved assisting with BREEAM accreditation
- Silicon sealed, waterproof and weathertight joints for neat hygienic fitting - prevents moisture and bacterial penetration
- Movable partition walls for dual compartment rooms - designed to be moved to increase or decrease space, depending on, for example, seasonal menu variations
- Foamed in heater mats for freezer rooms

There's also a wide variety of door options, from fully rebated ones that sit flush, avoiding potential damage by trolleys, to sliding doors, which are ideal in rooms where space is an issue. Personnel (flip/flap) doors with viewing panels are a suitable option for busy preparation areas.

With the ever-increasing pressure on kitchen space, weather-proof external coldrooms are becoming popular, we've supplied some to the Forestry Commission for storing game out in the wilds. We've also built vibration-proof coldrooms, humidity-controlled versions and even ones designed for a 'Zone 2' (explosion risk) area.

Fully project managed including site survey, detailed approval drawings, risk and method statements, installation, testing and commissioning. Williams continually strive to bring you the best quality, most energy efficient coldrooms for today's market.

Computer Aided Design software, fast quotations, drawings, site surveys and 30 years experience in cold storage.

### QUALITY PRODUCT

Unique POD system maximises on space, camlocked panels for security and thermal superiority, plus energy saving controllers.

### **SERVICE & SUPPORT**

Full after sales support and an on-going commitment to all our customers.

For further information on Bespoke Modular Cold Storage, visit our website and download a brochure, or for a free and simple site survey, please contact Williams Sales Office.

Sales Office: 01553 817 000

Single rooms or flush fitting suites

Tailor made solutions

Fully camlocked roof, floor & walls

## Cooler / Evaporator Range

47

### **NSC - EVAPORATORS**

- Durable, light, compact design easy to service
- High performance box coolers
- Powder coated finish
- 3 sizes available

### WHU - CONDENSING UNITS

- Range of applications (R134a/R404A)
- Four sizes available
- Fully weatherproofed housing complete with built in wall or floor brackets
- High performance energy efficient fans
- Units can be fully dressed complete with HP/LP sight glass, drier, crank case heater and fan speed control from factory - all available as options

### FLEXIBLE SOLUTIONS...

medical, foodservice, bakery, brewery, research. Our very own in-house Project Management Team

### 10% EXTRA...

storage space externally mounted
refrigeration system fo
increased capacity

### **SAVE ENERGY...**

CoolSmart controllers, camlocked panels and excellent insulation

#### STRENGTH...

Camlocked panels employed during construction providing excellent strength and superb thermal insulation

## **Delivery** Terms

### DELIVERY TERMS AND CONDITIONS

### Plus 7 days

Next routine run to area, normally the following week

### Plus 4 day

Will be delivered within 4 full working days, if ordered by 12pm

### Plus 1 day

Will be delivered next full working day, if ordered by 12pm - may be palletised

Unless otherwise arranged, drops will be kerbside with vehicle and driver only. Will not include positioning inside premises or setting to work. Deliveries are subject to stock availability.

For full Terms and Conditions refer to Page 52

### **Delivery Only**

Kerbside delivery is to external areas with clear access, and no double lines (enforced parking restrictions), vehicle size limitations, red routes, road or building works.

### Plus Positioning

Positioning in addition to above is to internal areas with clear access, with no obstacles, stairs, restricted openings and to flat level ground floor. Positioning elsewhere is POA.

### Plus Set to Work

Set to work will include unpacking, set in place, connection to standard UK 3-pin socket within 1 metre (240V 13amp supply). Set to run and removal of packaging.

### Time

Timings are for UK (excluding Ireland, Highlands and Islands)

Working days are Monday to Friday inclusive 8.30am to 4.30pm

Delivery days and times are estimates only, and while Williams will take all reasonable actions to meet these estimates, these can vary without notice, due to conditions beyond our control.

#### Price

Prices are for UK mainland only. Ireland, Highlands and Islands are POA.

### Cancellation on delivery

Cancelled orders of delivered product will be subject to a transport re-stocking fee of £120 delivery in addition to the cancellation charge.

### Collection

Collection of cabinets - equipment must be ready for immediate removal. Collection of redundant equipment will be on a one for one basis. Collection only will be by specialised waste collection service. Ensure old cabinet is ready for immediate collection and despatch, at the time of delivery of new cabinet. Aborted collection will be charged

### **CANCELLATION CHARGE**

### **Cancellation Charge**

We reserve the right to charge an appropriate cancellation charge. No returned goods will be accepted at Williams Refrigeration Group offices or factories without prior agreement and authorisation.

### **PACKING**

#### **Packing**

Normal delivery price includes cardboard packing suitable for UK mainland deliveries.

Increased packing specifications suitable for trans-shipping (standard cardboard packing banded to wooden pallet with heavy duty cardboard corners, packed single stack only), chargeable as follows;

Single section £69 nett

Double section £81 nett

Triple section £89 nett

Coldrooms 2.5% or £132 nett minimum.

For deep sea crating prices contact Williams Sales Office - Export Department

### **Price Changes**

This price list supersedes all other UK versions. All prices are subject to change without notice. As part of our ongoing policy, we reserve the right to change specifications without prior notice

### Ordering Information

Any item in this price list may be ordered from your Williams dealer. Details of your nearest supplier can be obtained by contacting our sales office. When ordering from your dealer, please make sure you provide the following information:

- Purchase order number
- Quantity and model number
- Any options
- Required delivery date & delivery address including postcode

Before ordering any modular items, we strongly recommend that you request a site survey.

## Warranty Terms

### PARTS & LABOUR WARRANTY: UK ONLY

Our Warranty applies to equipment manufactured by Williams Refrigeration and equipment bearing the Williams nameplate and serial number identification tag.

We undertake, in conjunction with the supplying agent, distributor or representative, to repair free of charge during our standard business hours any such piece of equipment or part thereof used which is found to be faulty in either materials or workmanship subject to the further conditions below:-

### WARRANTY TERMS AND PRODUCTS COVERED

We offer a **24 months Warranty** from our original date of sale with the following Williams equipment:

- Garnet / Sapphire / Zircon / Jade / Amber (stainless) / Mobile Heated / Mobile Refrigerated.
- 2. Reach-in Blast Chillers / Reach-in Blast Chiller Freezers.
- 3. Opal / Emerald / Onyx / Aztra / Salad Counters.
- 4. Crystal Bakery Cabinets and Counters.

We offer a **12 months Warranty** from our original date of sale for all other Williams equipment including:

- 1. All Modular Products (including coldrooms).
- 2. Remote Systems (including glycol).
- 3. Bottle Coolers.
- Gem Multidecks and merchandiser cases.
- 5. Gem product range.
- 6. Bottle Well / Meat Freezer Well.
- 7. Thermowell.
- 9. Non standard and other products.
- 10. Front of House display cases.
- 11. White Goods.

### WARRANTY TERMS

Our warranty is offered where the equipment has been installed correctly and has not been subject to misuse or abuse and is functioning incorrectly.

The equipment was purchased by the authorised supplying distributor direct from Williams Refrigeration and not through a wholesaler or other supplier whose warranty terms may be different.

The Warranty Policy shall be non-transferable.

Replacement of defective equipment can only be made with the approval of Williams Refrigeration.

Any repair under warranty will only be carried out with the product in its position of operation or in a suitable location on the customer's premises. If the product has to be removed for security or any other reason, this will be subject to additional charge (may include hydrocarbon charged equipment).

Warranty work will be covered by Williams Refrigeration or by one of its appointed service agents between the hours of 8.00am and 5.00pm Monday to Friday. Any works undertaken outside of these hours are chargeable.

### **CLAIMS PROCEDURE**

If a customer wishes to make a claim under the terms of this warranty, the following procedure should be observed:

- 1. Contact the supplying agent, representative or distributor.
- Quote the equipment model, serial number and date of installation.
   The serial number is located on the product identification plate

- inside the cabinet, modular product door frame or similar location. It is recommended that operators should also record the serial number on the operating instruction booklet supplied with the product.
- 3. Contents risk and insurance responsibility remains at all times with the customer.

### EXCEPTIONS TO STANDARD WARRANTIES

- 1. The Standard warranty applies to equipment located in Mainland GB only and excludes locations subject to restricted or secure access, offshore and marine applications. Additional time and travel charges may be applied to the following locations Isle of Wight, Channel Islands, Isle of Man, Northern Ireland and Scottish Isles.
- Any fault that is not reported within 10 working days of being discovered.
- Service calls to equipment under warranty, or service calls made under chargeable arrangements will be carried out in accordance with standard conditions of sale. Unless otherwise specified, a maximum of 15 minutes of administrative time, not spent directly carrying out servicing work, is provided for within the supply. Any requirement for staff attending the call to spend greater time than 15 minutes due to administrative requirements, such as on waiting time or security clearance, or health and safety risk assessments, will be chargeable at our prevailing rate.

We reserve the right to apply Time Travel & Call out charges if no fault is found with the product or access is either restricted or denied to our attending engineer.

- 4. No claim shall exceed the original selling price.
- Claims for Food and / or contents stored in the equipment supplied (including pharmaceutical or other items) and any consequential loss how so ever arising are excluded under our warranty terms.
- 6. Components including gaskets, doors, drawers, handles, shelves, tray slides, all internal fixings, plug and lead, connectors, the outer shell, castors / legs, food probes, refrigerant and blockages as well as consumable items such as (but not limited to) batteries, fuses, light bulbs, printer cartridges, keys, glass and paper roll.
- 7. Equipment manufactured to the customers' own design, Williams Refrigeration will not be liable for any defect, non performance or improper operation of the equipment arising from any drawing design or specification supplied by the customer, their representative or agent
- 8. Second hand equipment.
- The customer uses or installs the equipment in such a way that it exceeds its design envelope or operates the equipment at control parameters other than those provided as standard factory settings.
- The customer fails to observe commonly accepted operating practices.
- 11. The customer has not properly cleaned or maintained the equipment or carried out necessary servicing, including cleaning of the condenser, in accordance with instructions, literature or directions issued by Williams Refrigeration. (Operating Instructions are supplied with all equipment but also available at www.williams-refrigeration.co.uk).

- Equipment fails through improper installation by others, misuse, abuse, accidental damage, power loss or fluctuations, fire, flooding or acts of god.
- 13. Any third party item(s) connected to the equipment that may affect performance.
- 14. The customer permits persons other than those authorised by Williams Refrigeration to perform or affect repairs or adjustments to the equipment.
- 15. If authorised representatives of Williams Refrigeration are denied full and free rights of access to the equipment for inspection during normal business hours as previously stated.
- If Repairs are made using spare parts or replacement items not supplied or preauthorised by Williams Refrigeration.
- The initial equipment supply date shall apply for warranty validity for the subsequent supply of replacement of parts or products.

### **EXTENDED WARRANTY**

Extended Warranty offers the opportunity to protect your equipment (subject to conditions outlined) for an additional period of up to 5 years inclusive of original warranty periods.

Should you require Extended Warranty, state on your order or notify the Dealer or Williams Sales Manager at the time of purchase and they will be able to arrange it for you.

To ensure your Extended Warranty Policy remains valid, at least one maintenance / service visit per year must take place in years 2, 3, 4 and 5. For further information or clarification please call 01553 817000 or email to info@williams-refrigeration.co.uk or write to Williams Refrigeration, Bryggen Road, Kings Lynn, Norfolk, PE30 2HZ

### Terms and Conditions

### 1. Application of Terms

- i) In these Conditions, unless the context requires otherwise:
  - **Buyer**: means the person, firm or company who had ordered or agreed to purchase Goods from the Sellor
  - **Goods**: means any goods to be supplied to the Buyer by the Seller (including any of them or any part of them).
  - **Seller**: means The AFE Group Limited trading as Williams Refrigeration (company no. 3872673)
- ii) These Conditions apply to all quotations issued, offers and orders received. No alterations shall take effect unless confirmed by the Seller in writing.
- iii) No term, condition or warranty not recorded herein shall be binding on the Seller, all terms of the Buyer are hereby excluded and no term or conditions delivered with or contained in the Buyer's purchase order or other document shall form part of the contract.

#### 2. Prices

- i) Errors and omissions are subject to correction.
- Unless otherwise stated in writing, prices charged will be those set out in the Seller's published price list in force at the date of despatch.
- iii) Unless otherwise specified, prices include costs for standard packing and the supply and standard delivery only of Goods but not for their off-loading, positioning or installation.
- All prices are exclusive of V.A.T and any other applicable sales tax or duty which will be added where applicable.

### 3. Payment

- In respect of all initial orders and whenever else specified by the Seller, the Buyer shall pay in full as a condition precedent to dispatching the Goods. In all other cases payment must be made in full by no later than 30 days from the date of delivery.
- ii) The Buyer shall make all payments due under any contract in full without any deduction whether by way of set-off counterclaim, discount, abatement or otherwise.
- Where payment is not received by due date the Seller reserves the right to charge interest on outstanding amounts for each month or part of a month that payment is overdue, at the rate of 2.5 per cent per month or part thereof and/or at the Seller's option, to suspend all deliveries of all goods to the Buyer.
  iv) Should the Seller be prevented by the Buyer from
- Should the Seller be prevented by the Buyer from effecting delivery on the due date, the full price of the Goods shall become payable as if the Goods had been delivered.

### 4. Delivery

- Delivery of the Goods shall be completed on the Goods' arrival at the agreed delivery destination.
- ii) Any time expressed for delivery shall be deemed to be an estimate only, time not being of the essence of the contract unless separately agreed to in writing by the Seller. The Seller accepts no liability for any loss sustained by the Buyer through late delivery, and further where a time for delivery has been agreed but delivery is delayed for any reason beyond the control of the Seller or the Buyer's failure to give adequate delivery instructions, a reasonable extension of time shall be allowed to the Seller.

- iii) Where working drawings have to be approved by either the Buyer or his agent then the estimated delivery period is to be calculated from the date of receipt in writing of this approval.
- iv) Where a time for delivery is agreed and the Buyer fails, for whatever reason, to accept delivery, the Seller reserves the right to make a reasonable charge for storage (including insurance). Should delivery not be possible after one week's delay the Seller shall be entitled to submit his invoice and the normal conditions of payment will apply.
- The Buyer shall provide adequate labour and unloading facilities at the place of delivery at his own risk and expense.
- vi) If advanced notice of the appropriate arrival time of delivery vehicle is required, this must be stated on the order.
- A site delivery charge is made for all consignments delivered to addresses other than the Buyer's warehouse.

### 5. Cancellation of Order

- i) Standard Items A cancellation charge of 25% of nett invoice value will be made to cover the Seller's administration and other costs.
   ii) Orders for Off Standard & Special Items – Once
- ii) Orders for Off Standard & Special Items Once manufacture has commenced, cancellation of items made to a Buyer's specific requirements or specification will involve, in addition to the cancellation charge (referred to in clause 5i) all manufacturing and other costs incurred by the Seller up to the time of cancellation.
- Once Goods have been delivered they are not in any circumstances returnable without the Seller's agreement in writing.

### 6. Damage or Loss in Transit

- The Seller's responsibility ends with the arrival of Goods at the designated delivery destination. The Seller is not liable for any damage or loss caused during unloading or thereafter.
- Goods should be examined on arrival by the Buyer or his agent and details of any damage or loss entered on the Carrier's note.
- Once Goods have been delivered they are not in any circumstances returnable without the Seller's agreement in writing.

### 7. Carriage

- An additional charge will normally be made for increased packing, express delivery or delivery outside the mainland of the United Kingdom.
- Any special delivery arrangements by passenger train, carriers or similar requests by the Buyer will be charged at cost.
- iii) The Seller reserves the right to institute a fuel surcharge on some or all shipments without prior notice. The fuel surcharge will be applied to such services and for such periods as the Seller, in its sole discretion, may determine necessary.

### 8. Property and Risk

- Title to the Goods supplied by the Seller shall not pass to the Buyer until:
- a) the purchase price and all other monies owing by the Buyer in relation to those Goods or the price (whether or not due) are paid in full; and b)there are not monies owing by the Buyer to the Seller on any account (whether or not due).

- ii) Notwithstanding this reservation of title the Buyer may resell any goods in the ordinary course of business which remain the property of the Seller in which event the Buyer shall remit the proceeds of sale to the Seller and until so doing shall hold such proceeds of sale on trust for the Seller and in such a way that they are kept separate and are readily identifiable.
- iii) The Seller shall be entitled (but not obliged) at any time to recover and dispose of any Goods to which it has retained title under this clause and the Buyer will be deemed to have granted to the Seller an irrevocable license for so long as any monies shall remain owing to it to enter the Buyer's premises to inspect and recover any such goods.
- inspect and recover any such goods.

  iv) The Buyer agrees and undertakes in respect of all Goods that remain the property of the Seller:
  - a) to store the same in such a way that they are readily identifiable as the property of the ller;
  - b) to insure the same to their full value; and
  - c) to hold the same in all respects as bailee for the Seller
- v) Where the property in the goods has not passed the Seller may nevertheless maintain an action against the Buyer for the purchase price and all other monies then owing to the Seller in relation to the goods notwithstanding Section 49 of the Sale of Goods Act 1979
- Goods Act 1979.

  vi) If the Seller repossesses or resells its Goods it shall credit the Buyer in the Seller's accounts (in each case after deduction of all expenses of recovery and/or sale) with the lesser of (i) the net value or proceeds of the sale (as the Seller may elect) of the goods and (ii) the invoiced price (excluding value added tax) to the Buyer of the Goods.
- vii) Notwithstanding the provisions of Condition
  8ii) above the Goods shall be at the risk of the
  Buyer from the time when they are tendered for
  delivery at an agreed destination or are available
  for collection by the Buyer or cease to be in the
  Seller's possession and in particular when they are
  delivered into the possession or custody of a carrier,
  forwarding agent, warehouseman or other bailee or
  agent for the purposes of transmission whether or
  not such person contracts with or is instructed by
  the Seller or the Buyer.

#### 9. Drawings / Symbols

All drawings prepared by the Seller shall remain the Seller's property and copyright and therefore must not be wholly or partially used or copied without the Seller's written permission.

#### 10. Description

Illustrations, descriptions and dimensions, in the Seller's catalogue or documents, although correct in general detail, shall not form part of the contract and do not constitute a sale by description. The Seller's policy is one of continuing improvement and the Seller reserves the right to vary or modify the design specification or surface finish without notice, unless written undertaking has been given to the contrary.

#### 11. Replacement

Where the Goods supplied by the Seller are of the Seller's design and manufacture the Seller will make good any defects in those Goods subject to the following conditions:-

 The Buyer shall notify the Seller in writing at the Seller's address, Bryggen Road, North Lynn Industrial Estate, King's Lynn, Norfolk PE30 2HZ,

- within 10 days of the date of delivery.

  The Seller shall be provided with an adequate opportunity to examine the Goods.
- iii) The Seller shall not be obliged to replace any Goods or make any allowance or other arrangement if, in the reasonable opinion of the Seller, the defect has arisen from accident, misuse, neglect, incorrect installation, lack of reasonable maintenance, or any other cause beyond the control of the Seller.
- iv) Where the defect is reasonably attributable to the fault of the Seller, the Seller shall replace or repair the defective Goods, but shall not be liable for any costs of removal of the defective Goods, or of the installation of replacement Goods, nor any consequential loss or damage arising therefrom.
- The Seller will not accept any charges for remedial work which is carried out without its express authority and approval.
- vi) The Seller's liability shall be limited to the repair or replacement of materials and components manufactured by the Seller. No Goods are guaranteed by the Seller for any specific length of time but are warranted to be free from defect in workmanship and materials at the time of delivery. No liability can be accepted in respect of products that have become defective due to contact with corrosive liquids such as strong bleaching solutions and fluids, photographic developing liquids, immersion type silver cleaning fluids and the like which are injurious to any metals or plastics and components used in those Goods.
- vii) Where Goods and components supplied by the Seller are not of the Seller's design and manufacturer, the Seller's liability shall be limited to the guarantee provided by the manufacture of such Goods and components.
- viii) The Seller shall not be under any duty arising from clause 11 of these Conditions if the Buyer is in breach of any provision of the Contract with the Seller until the Buyer has remedied the breach.

### 12. Indemnity

- i) The Buyer shall indemnify the Seller against all damages, penalties, costs and expenses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) to which the Seller may be liable if any work done in accordance with the Buyer's specification infringes or allegedly infringes any third party property right.
- ii) The Buyer will keep the Seller indemnified against all actions, costs, claims and liability arising from faulty or unsuitable instructions given by the Buyer or from allegation of breach of the intellectual property rights of a third party arising out of the Seller's instructions.

#### 13. Information

ii) All wiring data sheet diagrams and other information as to the construction, assembly, use, storage, or disposal of the Goods made available to the Buyer before, at the time of or after the time of supply of the Goods to the Buyer shall be supplied to the Buyer to any person to whom the Buyer supplies the Goods or any product in which the Goods are incorporated and the Buyer shall impose a similar requirement on such person. The Buyer shall indemnify the Seller in full against all liabilities, costs, claims, demands and expenses resulting from any failure by any person other than the Seller to make such wiring datasheets diagrams and other

- information available to any other person.
- ii) Where an indication as to time limits for the use of goods has been supplied to the Buyer the Buyer shall procure that all persons into whose hands the Goods may come are aware of such time limits and shall not supply the Goods after such time limits have been exceeded.
- ii) The Buyer will notify the Seller of any intended application of the Goods other than that contemplated in the information referred to in sub-section i) above so as to enable the Seller to verify that the Goods will be safe for use in such application.

#### 14. Liability

- i) The Seller's express liability under this Conditions shall be the Seller's only liability and the Buyer's only remedy for breach of any conract for the sale of Goods and all other liability of the Seller whether in contract, tort (including negligence), statute or otherwise is hereby excluded.
- ii) The Seller shall not be liable for any consequential loss or indirect loss suffered by the Buyer whether this loss arises from breach of a duty in contract or tort or in any other way (including loss arising from the Seller's negligence). Non-exhaustive illustrations of consequential or indirect loss would be:
  - a) loss of profits;
  - b) loss of contracts;
  - c) damage to property of the Buyer or anyone else, and personal injury to the Buyer or anyone else (except so far as such injury is attributable to the Seller's negligence);
  - d) site labour costs including removal, replacement or making good or delay or disturbance to other works:
  - e) loss of contents and spoilage of products;
- iii) The Seller's total liability for any one claim or for the total of all claims (other than personal injury claims arising for the Seller's negligence) arising from anyone act or default of the Seller in connection with any contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall not exceed the contract price or sum of One Million Pounds (£1,000,000.00) whichever is the lesser
- iv) In the case of Goods not manufactured by the Seller the Seller gives no representation, warranty or condition whatsoever that the sale or use of the Goods will not infringe patent, copyright or other intellectual property rights of any other person, firm or company.

#### 15. Termination and Insolvency

If the Buyer commits any breach of these Conditions or the Buyer becomes insolvent if, in the opinion of the Seller, the financial standing of the Buyer becomes unsatisfactory the Seller may, without prejudice to its other rights and remedies, terminate any contract between the Buyer and the Seller forthwith by notice in writing to the Buyer and suspend or cancel further deliveries without incurring any liability to the Buyer. The Seller shall also be entitled to require immediate payment for all Goods delivered under any contracts subsisting between the parties or (at the Seller's option) security for payment satisfactory to the Seller.

#### 16. Force Majeure

The Seller shall not be liable for any failure or delay in performing its obligations under any contract to the extent that such failure or delay is caused by

an event beyond its reasonable control including strikes, lock-outs or other industrial disputes (whether involving its own workforce or a third party's), failure of energy sources or transport network, acts of God, war, terrorism, riot, civil commotion, interference by civil or military authorities, national or international calamity, armed conflict, malicious damage, breakdown of plant or machinery, nuclear, chemical or biological contamination, sonic boom, explosions, collapse of building structures, fires, floods, storms, earthquakes, loss at sea, epidemics or similar events, natural disasters or extreme adverse weather conditions, or default of suppliers or subcontractors.

#### 17. Law

These Conditions and all contracts to which they apply shall be subject to and construed in accordance with English Law and the parties hereby submit to the exclusive jurisdiction of the English courts.

#### 18. General

- i) Any notice shall be in writing and sent by prepaid post sent first class, addressed to the party to be served at its registered office for the time being or the address for that party stated in any order, acknowledgment of order. Notices served by post shall (except where expressly provided otherwise) be deemed served on the second business day after the date of posting; 'business day' shall mean a day other than a Saturday and Sunday or an English Bank or Statutory Public holiday.
- No failure or delay by the Seller in exercising any of its rights under these Conditions shall operate as a waiver thereof.
- iii) In the event that any of these Conditions shall become or shall be declared by any court of competent jurisdiction to be invalid or unenforceable in any way, such invalidity or unenforceability shall in no way impair or affect any of the other conditions hereof all of which shall remain in full force and effect.
- iv) The parties do not intend that any term of these Conditions shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.
- Clause headings are for ease of reference only and do not effect construction.

### FAQ's
